Dear Festival Advertiser:

The Fall Fiber Festival publishes a catalog for distribution to festival attendees. Our catalog is distributed at the gate both days of the festival and includes descriptions of events and workshops, a *list of vendors and their locations on site*, and some festival history. By placing an ad in our catalog you will be helping to support the Fall Fiber Festival while giving your business greater name recognition with potential customers at the festival. Customers may even take the catalog home with them to consult for later purchases. It's great advertising to a selected audience!

Fall Fiber Festival is held the first full weekend in October at Montpelier, the home of James Madison, in Orange County, Virginia. The festival attracts visitors from all over Virginia, DC, North Carolina and Maryland as well as New York and West Virginia. We are delighted with this continued interest in fiber and fiber arts. Dog trials, workshops, a skein, garment & fiber art competition, hands-on demonstrations, animal exhibits and a fleece sale promise to make this another memorable year.

We appreciate your patronage and participation in the Fall Fiber Festival! Ad revenue helps us to maintain the quality of our catalog while giving festival vendors an opportunity to showcase their quality products.
