

Fiber Arts Competition 2023

Consider submitting your best work in this year's Fiber Arts Competition! Participating is fun and will provide a learning experience for you and festival visitors. All entries will be on display in a public exhibition.

As we work to promote traditional fiber arts, we are asking for a \$5 per item, entry fee this year.

Rules:

- **Any item completed since the 2022 Fall Fiber Festival is eligible for entry.**
- Each entry must be the work of the entrant alone.
- Individuals are limited to no more than two entries **per class**.
- Entries must meet class descriptions (see below) as to fiber content.
- Judges reserve the right to move entries to a more appropriate class without penalty to the entrant and to combine or divide classes as needed.
- For safety reasons, display under glass is NOT allowed.
- Judges' comments will be on public display.
- All youth entrants must be 17 years of age or under as of September 15, 2023.
- Any items not meeting criteria will be disqualified.
- **Judges' decisions are final.**

Three Steps to enter your items:

1. Complete one Entry Form that includes a brief description of each item you are entering. (e.g., blue scarf, woven shawl).
2. Complete an Item Description form for each Entry.
3. Place the fiber art item, Item Description Form, and \$5.00 (per item) entry fee in a plastic bag.

Important details!

Item description should be thorough and include:

- a. Handspun skeins must include fiber information (e.g., cotton, alpaca, llama, sheep and breed if known), color, weight of skein in grams and/or ounces, length in yards and/or meters. Include all steps if processed from raw, indicate type of wheel or spindle used, and include best or intended use for yarn. If dyed, type of dye used.
- b. For all other items, briefly describe the item, (e.g., blue knitted lace shawl), and include yarn/fiber information. If pattern was used, include name of pattern, source, and designer, and note if any alterations were made to the pattern. Describe how the item was made and finished, including any special techniques used in the creation of the entry.
- c. Each entry should be placed in a clean zipper-sealed plastic bag. For larger items, do your best to wrap them in a protective plastic covering or bag. Place the item description form along with the \$5.00 entry fee, inside the bag with each item.
- d. Entrants are encouraged to provide a "touch sample" (no larger than 5 x 5 inches) which visitors will be allowed to handle. This will help us keep your valued handmade entry as safe as possible. Place the sample in the bag with the item.
- e. Entries must be clean and odor-free.
- f. Entries and entry forms must be received by September 15, 2023. No late entries will be accepted. There will be opportunities to hand-deliver entries at certain guild meetings. Check with your guild for more info.
